Addressing Personhood In Healthcare and Rehabilitation: An Ethical and Moral Imperative

How have we...

- Allowed health care to stray so far from caring?
- Lost sight of the individual we're treating?
- Refused to address social determinants central to the disease?
- Lost sight of the central role of human relationships in healthcare?

Help us explore these and other provocative issues

Jun 27 & 28, 2017 @ 7:45 AM - 4:00 PM

Maine State Prison - 807 Cushing Road - Warren, ME

NOTE: *To comply with Maine State Prison requirements, registration closes June 19, one week prior to this conference*
