Inaugural Statewide Palliative Care Conference

The Palliative Care & Quality of Life Interdisciplinary Advisory Council and the Maine Hospice Council are proud to present the first annual statewide palliative care conference.

Introducing the Presenters

Please take a moment to get to know the conference's guest speakers.

We are honored to have them join us!

Key Note Speakers

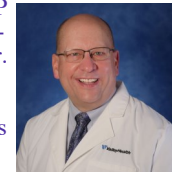

Betty Ferrell, RN, PhD, MA, FAAN, FPCN, CHPN has been in nursing for 37 years and has focused her clinical expertise and research in pain management, quality of life, and palliative care. Dr. Ferrell is the Director of Nursing Research & Education and a Professor at the City of Hope Medical Center in Duarte, California.

She is the principal investigator of a research project funded by the National Cancer Institute on "Palliative Care for Patients with Solid Tumors on Phase I Clinical Trials" and principal investigator of the "End-of-Life Nursing Education Consortium (ELNEC)" project.

In 2013 Dr. Ferrell was named one of the 30 Visionaries in the field by the American Academy of Hospice and Palliative Medicine.

James 'Jim' VanKirk, MD, FACP has worked in Hospice and Medical Ethics throughout his career. He is a strong advocate for improving end-of-life care and educating healthcare providers as well as communities in the importance of Goals of Care conversations.

He practiced in Lexington, VA for 10 years then moved to Bangor, ME where he developed and directed the Palliative Care Program for the Eastern Maine Healthcare System for 15 years. He came to Valley Health in 2021 and is the medical director of the Palliative Care Program.

Cordt Kassner PhD, CEO, incorporated Hospice Analytics in 2008. He holds degrees in social work, counseling, and health and behavioral sciences.

His prior work experience includes CEO of the Colorado Center for Hospice & Palliative Care, clinical and research responsibilities on the faculty of the University of Colorado at Denver and Health Science Center.

Cordt has served as a "translator" of information between administration/clinical health care professionals and research/statisticians.

Key Note Speakers

Elisabeth Mock, MD, MPH, FFAFP, received her doctorate from Vanderbilt University School of Medicine and a Master of Public Health in Health Policy and Administration from UNC-Chapel Hill. She also attended Colby College and Emory University. She is Board Certified in Family Medicine and Addiction Medicine. She works primarily as a consultant and clinical educator with per diem hospitalist and buprenorphine clinic shifts. Interests include women's basketball, chess, Toastmasters

conversations, and serious illness conversation training. These include Respecting Choices, Vital Talk and the Serious Illness Care Program through Ariadne Labs of the Harvard School of Public Health. She is the Chair of Maine's Palliative Care and Quality of Life Interdisciplinary Advisory Council. She is presently working with the Office of Aging and Disability as a program Consultant.

Opening Remarks

Lauren Michalakes, MD, MPH, is an internist and palliative care physician with many years in the care of patients with serious illness. She is a National Faculty and Instructor in multiple initiatives in advance care planning and serious illness

conversations, and serious illness conversation training. These include Respecting Choices, Vital Talk and the Serious Illness Care Program through Ariadne Labs of the Harvard School of Public Health. She is the Chair of Maine's Palliative Care and Quality of Life Interdisciplinary Advisory Council. She is presently working with the Office of Aging and Disability as a program Consultant.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Maine Medical Education Trust and the Maine Hospice Council. The Maine Medical Education Trust is accredited by the Maine Medical Association Committee on Continuing Medical Education and Accreditation to provide continuing medical education for physicians.
